SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

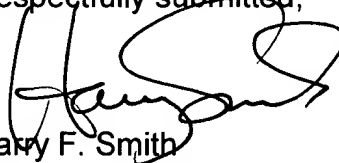

In accordance with applicant's duty of disclosure under 37 C.F.R. §1.56, please find attached hereto form PTO-1449 listing information which may be material to the patentability of this application, filed January 3, 2000.

The enclosed pages 331-336 of "The GSM System for Mobile Communications" were cited by the examiner in a Written Opinion issued for a corresponding International Application.

It should be understood that attention has been called to the publication and that has been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the

invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed publication and to make the usual careful independent search for other prior art that may be pertinent.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Harry F. Smith", written over the typed name.
